Japanese Association in Thailand (Office: Bangkok, Thailand, President: Atsushi Shimada) officially announced to donate 1,376,660 baht (appx 4.7 million yen) to 13 organizations, such as welfare facilities, orphan homes, and NGOs in Thailand. Japanese Association Charity Foundation is founded on the net profit from the 47<sup>th</sup> Japanese Association Charity Bazaar hosted in September 2019 and various donations collected from companies, groups, and individuals from mainly Japanese Community.

Last year, Japanese Association in Thailand opened application for donations and 15 organizations applied to the program. After the fair selection for 2 months, Japanese Association Charity Foundation Committee (Chairperson: Yuichi Nishimura) selected the appropriate 13 organizations for donations.

This has been possible due to more than 200 company, groups, and individuals' support at Charity Bazaar last year, which raised 1,163,300 baht, 77 % increase from 2018. Addition to this, we are deeply grateful to Mr. Sadoshima, the former H.E. the Ambassador of Japan for his great contribution of donating 35 paintings, which raised 526,000 baht worth of Charity.

The donation will be spent on kindergartens in the slum of Klongtoey District, delinquency-preventing soccer activity, and workshops for grownups. Additionally, it will be utilized for the workshops and scholarships for human trafficking victims, Leprosy disease patients and families, and HIV/AIDS orphans, as well as facility management of orphan homes and schools for the blind. The donations are expected to support about 2,000 people in Thailand.

On March.2, 230,000 baht has been donated to Phrae Santi Jintana School for the Blind. Mr.Nishimura, Chairman of Japanese Association Charity Foundation handed donation to Mr. Montian Buntan(Senator, School Board President).

Japanese Association in Thailand, established in 1913, has been donating over 28 million baht in total to nearly 50 organizations in Thailand through Japanese Association Charity Foundation, founded in 1973 as a celebration of the 60<sup>th</sup> year anniversary of Japanese Association. In 2018, Japanese Association in Thailand made a donation of a blood mobile, equivalent to 8 million baht, to the Thai Red Cross in commemoration of the 130th anniversary of the diplomatic relationship between two countries.

Japanese Association in Thailand would like to keep good friendship with Thai society and continue to make social contributions as representative of Japanese people in Thailand with sincere gratitude.
